

TACTICAL DECISION GAMES

TDG #3 Solution Worksheet

Fire Ground Considerations:

- Primary Search completed and Exposures not an issue at this time
- Request an additional Taskforce Assignment
- Stop further fire damage
- Limit water damage
- Work safely to achieve these goals

Truck Company Actions:

- Direct T26 to initiate PPV and Vertically ventilate over source of fire
- Coordinate ventilation with Fire Attack
- Cut Utilities

Engine Company Actions:

- Direct E26 to Fire Attack and report on “Knock Down”
- Coordinate Fire Attack with Ventilation
- Perform Secondary Search
- Check for Fire Extension

Place First Alarm Assignment:

- Establish Incident Command System
- E26 will be Fire Attack Group
- T26 will be Ventilation Group
- 800 Unit will be RIC
